I am better informed about nutrition than the average person											I am willing to pay more for environmentally-friendly products				
I have a lot of faith in the advice of doctors											I enjoy being extravagant				
I like to consider homeopathic and herbal remedies											There is a lot of stress in my life				
I pay very close attention to the ingredients in medication											I live a fairly hectic lifestyle				
I should really try to eat foods that are better for me											Young people today have too much freedom and not enough discipline				
I think health-related issues are given too much attention these days											If I were to move, the first thing I would want is for my home to look good				
Regular exercise is an important part of my life											I learn a great deal from meeting people who are different from me				
Low fat foods are an important part of my regular diet											It horrifies me to see so many articles and pictures about sex in films, magazines and books				
Low carbohydrate foods are an important part of my regular diet											I often do something simply to prove to myself that I am able				
I try to avoid eating pre-packaged foods											I am interested in understanding how our society is evolving and what may become of it				
I pay very close attention to the nutritional content of food I eat											The father of the family must be master in his own house				
I monitor the ingredient lists on packaged foods											Overpopulation in third world countries doesn't really affect our country				
There is too much attention today on eating only healthy foods											Environmental problems in distant countries don't affect our environment				
In general people should exercise more and eat less											Violence is a part of life. It's no big deal ..				
Low carbohydrate diets are not really healthy											I am excited by the possibilities presented by the new technologies				
I try to avoid eating foods that contain trans fats											Non-whites should not be allowed to immigrate to our country				
I try to avoid eating at fast food restaurants											Pre-marital sex improves the later success of a marriage				
My overall good health depends on eating well											To spend, to buy myself something new, is for me one of the greatest pleasures in life				
I often try to eat smaller portions these days											I like to be immediately informed of new products and services so that I can use them
